Comparison of 2018 Tax Return and Tax Transcript Data

FAFSA instructions direct applicants to obtain information from certain lines on IRS income tax returns and schedules. For the most part, the instructions identify the relevant lines on the tax form by line number. These line item numbers do not appear on IRS tax transcripts. Instead, each item is identified by name. When verifying FAFSA data using tax transcripts, it is important to identify the correct answer.

The following pages contain a sample tax return and corresponding tax return transcript. Relevant line items have been highlighted as follows:

Red: information to help cross-reference tax return line items with corresponding data on the tax return transcript.

Yellow: tax return line items that are required verification data elements for the 2020-21 award year.

Blue: tax return line items listed in the FAFSA instructions, which should be reviewed for potential conflicting information.

Sample 2018 W-2 Form

In addition to wages earned, the W-2 form may reveal sources of untaxed income, such as payments to tax-deferred pension and savings plan amounts reported in boxes 12a through 12d, code D, E, F, G, H and S.

Schools are not required to review income listed in box 14, however if you are aware that a box 14 item should be reported (i.e. clergy parsonage allowances) then you would count that amount as untaxed income.

If the total for this line plus the line for Code 'S' do not match the amount reported on the FAFSA, the school will need to collect additional documentation from the student or parent, as applicable. Schools may obtain a signed statement indicating the correct amounts or some other documentation the school deems appropriate to resolve the conflict.

Many taxpayers will only need to file Form 1040 and no schedules. Those with more complicated tax returns will need to complete one or more of the 2018 Form 1040 Schedules along with their Form 1040. These taxpayers include people claiming certain deductions or credits or owing additional taxes. Under these conditions, the school should receive a copy of that schedule to complete verification.
