**Purpose of the Certified Financial Aid Administrator® (CFAA) Program:**

The purpose of the CFAA Program is to enhance the future of the financial aid community by inspiring quality job performance, encouraging continuous learning, and promoting professional development among financial aid administrators at colleges and universities across the country. The CFAA Program helps the higher education community and its stakeholders recognize financial aid administrators for their knowledge and experience, their role as stewards of taxpayer dollars and institutional funds, their contributions to the success of their institutions and their students, and their commitment to the highest standards of ethical behavior.

**Certification Mission:**

The CFAA Commission establishes competencies for excellence in financial aid administration and certifies individuals who have proficiency with the body of knowledge pertaining to administering federal (Title IV) financial aid and its interaction with state and private financial aid.

**Certification Diversity Statement:**

The CFAA Commission is committed to diversity and equality in all activities. The CFAA Commission, in both its principles and practices, is committed to providing the financial aid community with credentialing practices that are based on inclusion and diversity.

This means that there shall be no barriers to participation in any activity of the Commission on the basis of race, ethnicity, gender identity or expression, religion, age, sexual orientation, nationality, disability, appearance, geographic location, professional level or institution type.

The Commission will seek diversity and inclusiveness in its business practices, and it will not condone any form of unlawful discrimination.

The CFAA Commission recognizes and values the diverse skills, perspectives and experiences of the financial aid community and believes inclusiveness enhances the Commission’s ability to serve this community.

- All voting members of the Commission are limited to two consecutive terms.

Section 3. When the term of service ends for one or more Commissioners, nominations will be brought forth to the Commission Officers. Appointment of voting members of the Commission will be confirmed by a unanimous decision of Elected Commission Officers during the last meeting of the fiscal year. Nominees must fully comply with Commission member requirements as established by the Commission. Prior to the last meeting of the year, NASFAA Staff will provide the Commission a list of eligible CFAAs to the Commission to review and nominate. In addition, those interested in serving on the Commission may be asked to submit a completed form and questionnaire developed exclusively for service on the Commission.

Section 4. Vacancies of Regional Representatives and Commissioners-At-Large shall be filled as follows:

**STANDING RULE 5 – CFAA COMMISSION OFFICERS**

Section 1. Elected and Appointed Officers

(a) The elected Officers of the Association shall consist of a Commission Chair, Commission Chair-Elect, and Immediate Past Commission Chair, who must be representatives of the CFAA Community.

(b) The appointed Officers of the Commission shall be the CFAA Fiscal Officer, CFAA Program Manager, and Secretary. The CFAA Fiscal Officer, CFAA Program Manager, and Secretary shall be employed officers of the Association and shall not be subject to a limited term of office.

Section 2. The CFAA Commission Chair-Elect is elected by the CFAA Commission through majority vote at the last meeting of the fiscal year. A vote may be conducted by electronic means, upon approval of the CFAA Program Manager and the Commission Chair. In case of a tie vote, the Chair’s vote will be counted. Nominations for Chair-Elect shall be submitted to staff on the proscribed form. Commissioners may self-nominate or nominations may be submitted by any Commissioner. The public member is ineligible to serve as an Officer on the Commission.

Section 3. The Commission Chair shall preside at all meetings of the CFAA Commission and perform such other duties as pertain to that office. He/she shall be an ex-officio member of all committees of the Commission and shall vote only in the case of a Commission or committee tie. The term of office shall be for one (1) year. Upon completion of the term as Commission Chair, such person shall become Immediate Past Commission Chair, also for a one (1) year term of office.

Section 4. The Commission Chair-Elect shall assist the Commission Chair and, in all ways, prepare for his/her term of office. In the absence or disability of the Commission Chair, he/she shall have all the powers and shall perform all the duties of the Commission Chair without prejudice to his/her term as Commission Chair. The CFAA Commission Chair-Elect is elected by the CFAA Commission through majority vote at the last meeting of the fiscal year. A vote may be conducted by electronic means, upon approval of the CFAA Program Manager and the Commission Chair. In case of a tie vote, the Commission Chair’s vote will be counted. Nominations for Chair-Elect shall be submitted to staff on the proscribed form. Commissioners may self-nominate, or nominations may be submitted by any Commissioner. The public member is ineligible to serve as an Officer on the Commission.

The Commission Chair-Elect has a vote on the Commission and shall serve a one (1) year term of office. Upon completion of the one (1) year term as Commission Chair-Elect, such person shall become Commission Chair and serve until a successor is qualified. The Commission Chair-Elect serves as Parliamentarian for the CFAA Commission. In the event of a position vacancy, the Commission Chair-Elect shall be filled in the same manner as original selection.

Section 5. The Immediate Past Commission Chair shall assist the Commission Chair and participate in deliberations of the any Committees designated by the Commission. He/she has a vote on the Commission and shall serve a one (1) year term of office. In the absence or disability of both the Commission Chair and the Commission Chair-Elect, he/she shall have all the powers and shall perform all the duties of the Commission Chair. If the Immediate Past Commission Chair cannot perform the duties of that office, such duties would be carried out by the most recent preceding Past Commission Chair.

The Fiscal Officer shall serve as an ex-officio, non-voting member of the Commission. He/she manages the Commission’s review of and action related to the Commission’s financial responsibilities and works with the NASFAA President to ensure appropriate policies, procedures, record-keeping, and internal controls are utilized. He/she is responsible for managing vendor contracts for services relating to the CFAA, including a testing platform, psychometric needs, and marketing solutions. He/she shall hire, supervise and dismiss such other employees of the CFAA Program, with approval and oversight from the NASFAA President. The Fiscal Officer shall submit an Annual Report to the Commission and the NASFAA Association.

The Fiscal Officer shall not have access to CFAA exam content and will recuse himself/herself from any discussion related to exam item-level concerns and/or appeals. To prevent inadvertent exposure to exam items, this Officer shall not have access to any areas of the Testing Center that contain test items and shall not know the password utilized to password-protect any documents or other files containing test items. Based on this lack of access to exam content, which presents no opportunity for conflict of interest, the Fiscal Officer is not prohibited from conducting trainings that prepares potential candidates for the CFAA Exam.

Section 7. The CFAA Program Manager shall be responsible for the operation of the CFAA Program. The CFAA Program Manager shall be appointed by the NASFAA President. He/she shall be employed by NASFAA. He/she shall serve on the CFAA Commission in an ex officio non-voting capacity. He/she shall supervise such other employees of the CFAA Program. This Officer is prohibited from conducting trainings that prepares potential candidates for the CFAA Exam.

Section 8. The Secretary shall be appointed by the CFAA Program Manager and shall serve at the will of the CFAA Program Manager. The Secretary shall serve as an ex-officio, non-voting member of the Commission, and shall be responsible for preparing minutes of all meetings of the CFAA Commission and for maintaining all relevant Commission records. This Officer is prohibited from conducting trainings that prepares potential candidates for the CFAA Exam.

Section 9. No two or more offices of the Commission may be held by the same person. For those elected Officers as specified in this Article, once elected, such Officer may serve for the duration of his/her term so long as he/she remains a CFAA in good standing.

**STANDING RULE 6 – CFAA COMMITTEES AND TASK FORCES**

These Committees shall be named and their specific purposes and responsibilities enumerated in the Standing Rules and Policies.

Task Forces: Task Forces are formed by the Commission to consider specific matters and/or complete specific tasks related to the purposes of the Commission and not otherwise assigned to standing committees. Task Forces are dissolved upon completion of their tasks.

Task Force Chairs shall be appointed by the Commission Chair and do not require approval of the Commission. Committee or Task Force members shall be appointed by the Committee/Task Force chair with approval of the Commission Chair. Committee or Task Force chairs or members may be Commission members or CFAA volunteers. Committee or Task Force members are appointed for a one-year term, which may be renewed up to three (3) times.

Those interested in serving on a CFAA Committee or in a volunteer capacity must submit a Volunteer Service Form outlining their experience and their desire to serve.

A majority shall constitute a committee quorum, unless otherwise specified in CFAA Commission Standing Rules and Policies. A majority vote is required to approve an action at any meeting at which a quorum prevails. Section 3. The fiscal year of the Certification Program will follow that of NASFAA and shall be from July 1 to June 30, inclusive.

Section 4. Fees shall be assessed and collected in such amounts and in such manner as may be prescribed by the CFAA Commission.

Section 5. The Program’s finances shall be audited at the conclusion of each of the established fiscal years as part of the full NASFAA audit. Reports and findings will be made available to the Commission.

Section 6. The CFAA Commission will approve the CFAA budget NASFAA staff proposes, which will achieve a breakeven (or otherwise acceptable) financial position, including the anticipated projected costs for any projects essential to conducting effective and thorough certification and renewal activities (such as a job analysis study, psychometric review of test effectiveness, standard setting, etc.).

**STANDING RULE 8 - DISSOLUTION OR FINAL LIQUIDATION OF THE CFAA PROGRAM**

Dissolution or final liquidation of the CFAA Program shall proceed as provided in NASFAA’s Articles of Incorporation, Article Sixth.

**STANDING RULE 9 - AMENDMENT OF STANDING RULES AND POLICIES**

These standing rules may be amended by a two-thirds (2/3) majority of the CFAA Commission, provided that each amendment shall have been proposed in writing to the CFAA Program Manager by (a) the CFAA Commission (b) a committee authorized by the Commission, or (c) a petition of twenty-five (25) CFAA holders in good-standing, and provided further, that a copy of the amendment(s) shall have been distributed to each member of the CFAA Community at least thirty (30) days before the vote is to be cast by the CFAA Commission. Revisions, additions or deletions of Policies require a simple majority vote. Unless otherwise specified, approval requires a simple majority vote. A vote may be conducted by electronic means, upon approval of the CFAA Program Manager and the Commission Chair.
Policy #1    Subject: Volunteer Confidentiality and Security Data  
Date Adopted: September 25, 2019

As the CFAA Commission administers a certification program, CFAA Commission members, committee members and volunteers will at times learn of confidential or sensitive information regarding CFAA applicants or certificants including, but not limited to, such information as test scores and disciplinary actions. This information is to be kept confidential and secure in perpetuity—even after active participation in the program has ended—and should only be discussed when necessary with other Commission or Committee members or staff, or as necessary in the context of a disciplinary proceeding. All Commission members, committee members and volunteers with access to such information shall sign a security/confidentiality agreement prior to commencing service on or for the Commission and shall retain Commission information only so long as necessary to complete any required tasks. Security/confidential agreements will be retained by the CFAA Program.

1. The agreement shall require these individuals to maintain in strict confidence any and all information related to commission discussions and decisions unless prior approval is given by the Chair or such information is made publicly available. This confidential information includes (but is not limited to) information related to the following:
   - Applicants and applications, both initial and recertification
   - Commission decisions and actions related to applications
   - Commission finances
   - Item bank and exam development
   - Disciplinary actions and appeals

Certification applications and candidates' performance on the CFAA examination shall remain confidential unless required by law. The CFAA Program will release exam application and pass/fail information to the applicant only, and only in writing.

The exceptions to this are the published list of CFAAs that the Commission makes available to the public and confirmation of CFAA status. This statement does not preclude the publishing of any certificant's name against whom disciplinary action has been taken.

2. The CFAA Program Manager is responsible for distribution, receipt and storage of the forms. The forms will be kept on file in accordance with NASFAA policy. All such confidential information shall be maintained in a safe and secure place, such as a locked file drawer or a protected electronic file, in accordance with NASFAA’s privacy policies. Access to confidential files will be limited to CFAA Program staff. Reasonable steps will be taken to protect against inadvertent disclosure or theft of the information.

3. Upon termination of service with the Commission or one of its entities, the individual will destroy any confidential information received or acquired relating to the certification program and confirm the destruction with CFAA Program staff.

4. Any work done by an individual on behalf of the Commission is a work for hire and belongs to and remains the property of the Commission.

5. CFAA Commissioners must sign a nondisclosure agreement prior to beginning their term and being granted access to any confidential materials. Commissioners are prohibited from preparation or presentation of instructional materials designed to train on Title IV Aid regulations, with the exception
of internal institutional staff training to assist them with performing daily duties. Commissioners are also prohibited from preparation or presentation of instructional materials designed to prepare potential candidates for either NASFAA credentials or CFAA certification. The training prohibition applies for 18 months from the date their term on the Commission ends.

Prohibited activities include, but are not limited to:

a. serving as an adjunct for a NASFAA U online course;
b. conducting a NASFAA Authorized Event;
c. participating on a committee or task force responsible for conducting Title IV related training or reviewing Title IV related curriculum; or
d. presenting on NASFAA webinars related to Title IV regulations.

Training events related to non-Title IV regulations are permissible. Requests for exceptions to the Title IV training prohibition should be addressed to the CFAA Program Manager for consideration on a case-by-case basis. For example, Title IV related content that is not included in the Exam Content Outline may be approved.

6. Volunteers involved in CFAA Exam development will be given limited access to confidential exam materials as needed to perform their exam development duties. All volunteers will sign a nondisclosure agreement prior to being granted access to any confidential materials. Volunteers who are exposed to exam content are prohibited from preparation or presentation of instructional materials designed to train on Title IV Aid regulations, with the exception of internal institutional staff training to assist them with performing daily duties. Volunteers are also prohibited from preparation or presentation of instructional materials designed to prepare potential candidates for either NASFAA credentials or CFAA certification. The training prohibition applies for 18 months from the volunteer’s most recent exposure to test items.

Prohibited activities include, but are not limited to:

a. serving as an adjunct for a NASFAA U online course;
b. conducting a NASFAA Authorized Event;
c. participating on a committee or task force responsible for conducting Title IV related training or reviewing Title IV related curriculum; or
d. presenting on NASFAA webinars related to Title IV regulations.

Training events related to non-Title IV regulations are permissible. Exceptions to the Title IV training prohibition may be considered by the CFAA Officers on a case-by-case basis. For example, Title IV related content that is not included in the Exam Content Outline may be approved.

Volunteers involved in CFAA Exam development will be ineligible to sit for any assessments or exams that may include test items that they were exposed to during the exam development process for 18 months from the volunteer’s most recent exposure to test items.
Policy #2  Subject: Conflict of Interest  
Date Adopted: March 13, 2019

All Commission volunteers and staff agree not to engage in actions which may constitute an actual, apparent, or potential conflict of interest with the mission and activities of the Commission and will execute a conflict of interest statement. On such a conflict of interest statement, the individual will notify the Commission of any such conflicts of interest and any business, financial, personal, and/or organizational interests and affiliations which are or could be perceived to be a conflict of interest.

Policy #3  Subject: Commission Meetings  
Date Adopted: December 10, 2019

The CFAA Commission meets at least two times each year in-person or virtually. Twice per year, the Commission shall be provided the most recent available financial statement reflecting year-to-date operations and previous year-end figures by the CFAA Fiscal Officer. Minutes should reflect any actions taken in executive session.

Policy #4  Subject: Public Disclosure  
Date Adopted: March 13, 2019

CFAA Commission policies will be made publicly available with the exception of those policies the release of which could potentially jeopardize the security or integrity of the examination or the security or integrity of the program.

Policy #5  Subject: CFAA Committees  
Date Adopted: March 13, 2019

Communications: Committee chairs shall be responsible for the submission of written reports.

Confidentiality: All Committee and Task Force members are required to have signed a confidentiality agreement prior to starting service.

Certification Status: At the discretion of the Committee or Task Force chair, volunteers or committee members may be required to have earned the CFAA designation and remain in good standing.

Duties: The duties of Commission committee members shall be described in committee position descriptions. Commission Task Force member duties are defined in the creation of the task force. All Commission committee and task force members will abide by the CFAA Standing Rules and Policies.

Standing Committees
Pursuant to CFAA Commission Standing Rule #6, standing committees are formed by the Commission and their specific purposes, responsibilities, and compositions are to be enumerated in the Standing Rules and Policies.

Policy #6  Subject: Examination Development  
Date Adopted: March 13, 2019

All individuals involved with examination development shall follow established security and confidentiality measures as outlined in the CFAA Item-Writing Handbook. Concerns regarding a breach of this policy should be
reported to the Commission Chair or the CFAA Program Manager. If the concern involves the Commission Chair, the concern should be reported to the Chair-Elect or the CFAA Program Manager. Concerns regarding a breach shall be considered a CFAA Policy Challenge and investigated in accordance with established procedures outlined in Policy #15.

A job task analysis study of the financial aid administration profession will be performed no less frequently than every five years. The study findings will serve as the foundation for the examination specifications. The examination specifications will be reviewed by a subset of subject matter experts. Any necessary adjustments will be recommended to the Commission for review and approval. CFAA Commissioners shall not participate in job task analysis studies.

A body of literature aligned with the CFAA Exam Content Outline will be identified by the CFAA Commission and designated as the CFAA Exam Core Resources. The CFAA Commission will ensure that the CFAA Exam Core Resources list is reviewed periodically and in conjunction with the Job Task Analysis and revised at that time if appropriate.

Items written for the CFAA Exam item bank should be properly referenced to a current item from the CFAA Exam Core Resources.

All examination forms will be assembled in accordance with the examination specifications.

All test questions shall go through an initial question analysis and item performance review on a routine basis.

The passing standard shall be set using a criterion-referenced methodology. The CFAA Commission will approve the passing score.

Whenever examinee volumes permit, equating will be used to maintain the passing standard across different examination forms and to statistically adjust scores, as necessary, to compensate for differences in difficulty across examination forms.

The test will be completed online in NASFAA’s testing center and will be monitored remotely by trained proctors. Upon submission, the candidate will immediately find out whether or not they passed the test within the testing center. For security reasons, results will not be given over the phone or sent by fax or email. Candidates will be instructed to return to the testing center to review their results.

Certification Period
After successful completion of the exam, candidates become certified for a period of three years, based on the date they pass the exam.

Exam Retake
A candidate who does not pass the CFAA Exam on the first attempt may request approval to retake the CFAA Exam and pay the CFAA Exam Retake fee, which cannot be taken within the same testing window as the candidate’s first attempt. Only one exam retake is allowed within the exam eligibility period, which is one year from the date the candidate’s initial application was approved. The CFAA Exam may be attempted only twice within a 12-month period. The candidate must start the application process over again if the CFAA Exam is not taken within the candidate’s one-year exam eligibility period, or if the candidate does not pass the retake exam.
Policy #8  Subject:  CFAA Recertification Eligibility Criteria
Date Adopted:  May 17, 2019

Recertification
In the judgment of the Commission, recertification is required every three (3) years due to the rate of change in the profession and the need to stay current in financial aid practices. Recertification applications or inactive status requests must be submitted on or before the anniversary that the CFAA exam was passed. The recertification application documents (a) ongoing adherence to professional conduct requirements, and (b) completion of continuing education activities and contributions to the profession:

- Recertification applicants must have completed a minimum of 60 Recertification Points (RPs), representing financial aid related continuing education, qualifying leadership, instruction, authorship, advocacy, and other activities contributing to the profession. Refer to recertification point system table in Appendix B for a list of qualifying activities.
- Candidates who exceed recertification expectations by earning over 100 Recertification Points (RPs), representing financial aid related continuing education, qualifying leadership, instruction, authorship, advocacy, and other activities contributing to the profession during the recertification period, will receive special recognition.
- Recertification applicants must again agree in writing that they will adhere to the CFAA Code of Conduct and uphold NASFAA’s Statement of Ethical Principles.
- To qualify to recertify, the CFAA candidate must not:
  - be in default on a Title IV loan or owe an overpayment of Title IV funds;
  - have been engaged in the misuse of government funds;
  - have been determined to have committed fraud or other legal violation involving government funds;
  - have been suspended or debarred by a federal agency; or
  - have a felony conviction related to the acquisition, use, or expenditure of federal, state, or local government funds.

All points must be earned within the three-year recertification period, unless the candidate is approved for inactive status. Candidates must be prepared to submit documentation to validate qualifying recertification points.

Inactive Status
Inactive Status is available to CFAAs who do not meet their renewal eligibility requirements, but who do not wish to permanently lose their certification status. Inactive status provides CFAAs with a one-year period beyond their period of active certification in which to meet the renewal eligibility requirements.

While an individual’s status is inactive, the CFAA credential and designation MAY NOT be used.

To apply for inactive status, certificants must complete the appropriate form and pay the inactive status fee. Applications must be received prior to the end of the certification period for the request to be honored. Applicants may not apply for consecutive inactive status.

Reactivation
The CFAA certification may be reactivated at any time during the inactive period as long as the renewal requirements are met. Reactivation will be approved by meeting the renewal requirements including payment of appropriate fees and fulfilling recertification activity requirements or by re-examination. Any remaining recertification points must be accrued within the one year leading up to the resumption of certified status.
Policy #9  Subject: Reasonable Accommodations Pursuant to the ADA  
Date Adopted: March 13, 2019

Accommodations for testing shall be provided without charge to candidates who provide proof of (a) a disability as defined by Title III of the Americans with Disabilities Act, or (b) special medical needs. Requests must be submitted at least eight weeks prior to an exam testing window.

The CFAA Program will endeavor to furnish the requested accommodations, provided that the request is made by the required deadline, and that the accommodation would not fundamentally alter the measurement of the skills or knowledge the examination is intended to test and would not result in an undue burden.

NASFAA’s Ethics Commission, with CFAA Commission representation, shall be empowered to investigate, deliberate, and recommend a resolution for all Complaints against Candidates and Certificants. NASFAA’s Ethics Commission shall follow the NASFAA Code of Conduct Enforcement Procedures.

The CFAA Commission is the only entity authorized to make final decisions with respect to revocation or other disciplinary actions related to CFAA designation. The CFAA Commission will take into consideration the findings and recommendation of NASFAA’s Ethics Commission.
Disciplinary Actions

a) **Types of Disciplinary Actions.** The following disciplinary actions may be recommended to the CFAA Commission by NASFAA’s Ethics Commission based on the findings of their investigation. The CFAA Commission will impose the sanction(s) they deem appropriate.

i) **Private Sanction Disciplinary Actions**
   - (1) **Statement of Concern.** A statement of concern is a formal written statement by the CFAA Commission addressed to the Respondent; there is no publication of a statement of concern. A statement of concern is appropriate where a complaint has not been closed earlier with no investigation, where NASFAA has found a likely violation of the CFAA Program Policies, but where the violation was relatively minor and likely not recurring and/or the Commission has received acceptable assurances that suitable corrective action has been taken or is being taken.
   - (2) **Reprimand.** A reprimand is a formal written rebuke by the CFAA Commission addressed to the Respondent; there is no publication of a reprimand. The recommendation of a reprimand may include a recommendation for NASFAA or other education or training pertinent to the violation.
   - (3) **Refer the matter to the proper authorities for criminal prosecution, if appropriate.**
   - (4) **Take any other action that is warranted under the circumstances.**

ii) **Public Sanction Disciplinary Actions**
   - (1) **Suspension.** Suspend the Respondent’s CFAA status for an appropriate period of time. If the Respondent had yet to earn their CFAA designation, the candidate may not be allowed to apply to become a CFAA for an appropriate period of time, including permanently, if necessary.
   - (2) **Revocation.** Revoke the Respondent’s CFAA status permanently.

iii) **Multiple Sanctions.** The CFAA Commission may apply more than one sanction as deemed appropriate.

**Public Notice of Sanction**

The names of all suspended and revoked Certificants as determined by the Commission shall be included in an annual report that is publicly available on the CFAA Program website, and other appropriate locations as reasonably determined by the Commission. The report may also include cumulative and/or redacted reports of Private Sanctions of the Commission if the Commission decides such reports may serve as guidance to other Certificants.

a. **Notice of Public Sanction available upon request.** Upon request for additional information regarding the violation, the CFAA Program Manager shall consult with the CFAA Commission Chair, NASFAA’s Ethics Commission Chair, and legal counsel to determine if the request for additional information will be honored.

**Appeals Provisions**

A Respondent that has been found by the hearing panel to have violated the NASFAA Code of Conduct and had a public sanction imposed has the right to appeal to the NASFAA Board of Directors, following the process outlined in [NASFAA’s Code of Conduct Enforcement Procedures](#). If the appeal impacts a CFAA holder or candidate, NASFAA’s Ethics Commission will notify the CFAA Commission of the outcome. The CFAA Commission will review the determination, take any necessary action, and ensure appropriate records are maintained.

A Respondent with concerns related to CFAA Commission-imposed public sanctions has the right to appeal to the CFAA Commission, following the process outlined below.
1. A Respondent’s notice of appeal must be filed with the CFAA Commission no later than thirty (30) calendar days after the date of the notice of the Commission’s decision and must state the grounds for the appeal.

2. The CFAA Commission Chair will establish the time and place for the appeal, as well as the procedures for the appeal, and notice will be provided to the Respondent.

3. The CFAA Commission will not re-try the facts of the hearing but will limit its review to a determination whether NASFAA, the Ethics Commission, or the CFAA Commission followed appropriate procedures.

4. Written notice of the appeal determination of the CFAA Commission will be provided to the Respondent and the Complainant by traceable delivery.

Confidentiality and Record-Keeping of Proceedings in Revocation or Other Disciplinary Actions Matters

The names and addresses of Certificant, and Complainant if necessary, shall be disclosed to the CFAA Program Manager, CFAA Program legal counsel, NASFAA’s Ethics Committee, and the Chair and Past Chair of the CFAA Commission, and additionally as necessary in the course of proceedings to the members of the CFAA Commission, and any experts enlisted to assist in investigation and consideration of the matter.

b. Confidentiality Attestation. All individuals enlisted by, or on behalf of, NASFAA’s Ethics Commission to investigate, consider or deliberate as part of these processes shall sign an appropriate statement setting forth their agreement to maintain all information as confidential, and to promptly return all information received during the course of an investigation to the CFAA Commission’s offices care of the CFAA Program Manager.

c. Handling of information related to the Complaint and proceedings. All information, other than that which is publicly available, related to and disclosed during the proceedings shall be maintained on a confidential basis, except that the CFAA Program Manager, NASFAA’s Ethics Commission and/or the CFAA Commission shall be permitted to:

   i. Disclose such information when compelled by a validly issued subpoena or court order, or when otherwise required by law or pursuant to permission granted by the individual in question;

   ii. Share relevant information with parties essential to the review and investigation of the alleged unethical or unprofessional conduct, including the CFAA Commission’s staff, legal counsel, and consultants or experts;

   iii. Utilize such information in anonymous and aggregate form for purposes deemed appropriate by the Commission and/or NASFAA’s Ethics Commission, including, but not limited to, public reports, Certificant education, and research purposes.

c) Record Keeping

a. Handling, storage, maintenance, and destruction of records. The CFAA Program Manager, with the guidance of the CFAA Commission and NASFAA’s Ethics Commission, shall establish reasonable procedures to ensure that confidentiality is maintained with respect to the handling, storage, maintenance, and destruction of records.

b. Recording of Complaints in Certificant records. All CFAA related Complaints become a part of the record in the Certificant’s file to be held in the CFAA Commission’s offices. The record shall include the steps undertaken in the due process review and any action taken, including notation of Complaints dismissed for lack of merit.
c. **Retention of records for closed cases.** Once the case is closed, dismissed, or otherwise reaches conclusion, one set of records shall be maintained as part of the program’s permanent records and the remainder destroyed.

**Policy #16  Subject:  CFAA Program Queries, Challenges and Appeals**

**Date Adopted:** December 10, 2019

Queries and potential challenges of a CFAA applicant, candidate or certificant must be submitted to cfaa@nasfaa.org within thirty (30) days of receipt of notification of an adverse decision. NASFAA CFAA Program staff will review all queries and provide guidance to the extent appropriate. - accuracy of exam content and/or keyed item responses.

The CFAA Commission shall then meet by teleconference within thirty (30) days of receipt of notification of the challenge by the CFAA Commission Chair. All determinations regarding challenges must be decided by a two-thirds (2/3) vote of the CFAA Commission. A vote may be conducted by electronic means, upon approval of the CFAA Program Manager and the Commission Chair.

Notice of the CFAA Commission’s determination shall be provided to the Challenger within ten (10) business days of the decision.

The Challenger then has thirty (30) days from receipt of the CFAA Commission’s determination to file one follow-up written appeal with the CFAA Commission. To appeal the Commission’s determination, the Appellant must submit a written appeal to the CFAA Program Manager or designee. CFAA Program staff shall notify the Commission Chair of the appeal within ten (10) business days. The appeal shall be considered at the next scheduled meeting of the CFAA Commission. All determinations regarding appeals must be decided by two-thirds (2/3) vote of the CFAA Commission. A vote may be conducted by electronic means, upon approval of the CFAA Program Manager and the Commission Chair. Policy #21  Subject:  CFAA Recertification “Other Activities” Approval Process
Date Adopted:  December 10, 2019

A CFAA recertification candidate may submit an activity or event not already identified on the list of approved recertification activities to be reviewed by the CFAA Program Manager and CFAA Commission Chair in consideration of points for recertification on the proscribed form. The CFAA Program Manager and CFAA Commission Chair will review and respond to the request within ten (10) business days.

The CFAA Program Manager and Commission Chair will take into account the level of educational and professional advancement provided by the activity. They will also consider the contribution the activity provides for financial aid administration. If they find that the activity has a significant benefit associated with it, it will be an approved activity for recertification. The CFAA Program Manager and Commission Chair will also determine an appropriate amount of points that will be awarded for completing the activity.

The CFAA Program Manager and Commission Chair shall bring the activity to the full Commission for review and consideration if the activity may be eligible for 5 or more points or is worthy of full Commission consideration. The CFAA Commission shall review the request at the next scheduled Commission meeting; however, to avoid inordinate delays in responding to such requests, the CFAA Program Manager and Commission Chair may agree to conduct an electronic vote (for example, via teleconference, an online survey instrument, or other electronic means) prior to the next scheduled Commission meeting. All determinations regarding activity requests must be decided by a two-thirds (2/3) vote of the CFAA Commission. Notice of the CFAA Commission’s determination shall be provided to the applicant within ten (10) business days of the decision.
