

AMY CABLE
STATEMENT OF CANDIDACY
Representative-at-Large

Dear NASFAA Members,

Thank you for the nomination for the NASFAA Representative-at-Large. I am a dedicated professional with exceptional communication and technology skills and with 19 years of progressively higher levels of responsibility and experience in student affairs, financial aid, and enrollment management. NASFAA, SWASFAA and LASFAA have been instrumental in my personal and professional growth.

The mission of NASFAA is to enhance the development of financial aid administrators and to advocate policy change. I believe in this statement wholeheartedly. During my time as President of SWASFAA and LASFAA, my focus has been on diversity, equity and inclusion, advocacy and volunteerism. The role of NASFAA Representative-at-Large will allow me to continue this charge by representing member institutions in the Southwest region and expressing challenges we face in financial aid.

I am an active member of NASFAA and volunteer as an adjunct faculty member for NASFAA U, am a member of the Standards of Excellence Review team and serve on various committees and taskforces including the Pell Restoration for Incarcerated Student Working Group, Publications Editorial Board and Policy Rapid Response Network.

While my resume may illustrate my education and experience, it does not communicate my dedication to my craft and to the members of higher education. I take pride in my work and am very loyal and dedicated to students, faculty and staff. I have a deep and extensive understanding of enrollment management, policy development, advocacy and the legislative process.

I would be honored to serve NASFAA and to give back to the organization and its members. Thank you for your consideration.

Sincerely,

Amy Cable
