# EdConnect Key Dates

EdConnect is a Windows-based software financial aid administrators use to send and receive federal student aid information, including ISIRs. EdConnect is occasionally updated, but not necessarily in conjunction with the start of an aid processing cycle. Due to the changes in the FAFSA Simplification Act, EdConnect required an upgrade. Below is a timeline of the 2024-25 cycle.

# SAI Formula/Student Eligibility Determination Key Dates

Formerly known as the EFC, the formula that determines a student's aid eligibility is typically updated annually and finalized prior to the release of the FAFSA on October 1. In a normal processing year, ISIRs contain accurate SAIs upon which financial aid administrators can make financial aid offers to students. Below is a timeline of the 2024-25 cycle.

- December 27, 2020:** Consolidated Appropriations Act, 2021 signed into law; includes FAFSA Simplification Act
- March 15, 2021:** Consolidated Appropriations Act, 2022 includes technical revisions to FAFSA Simplification Act including delaying implementation for FAFSA and SAI formula provisions to 2024-25
- November 21, 2022:** ED publishes 2024-25 Draft Student Aid Index (SAI) and Pell Grant Eligibility Guide; tables reflect original figures from FAFSA Simplification Act
- March 19, 2023:** ED releases first update of Draft Student Aid Index (SAI) and Pell Grant Eligibility Guide; tables still reflect original figures from FAFSA Simplification Act
- August 25, 2023:** ED issues second update to Draft Student Aid Index (SAI) and Pell Grant Eligibility Guide; tables still reflect original figures from FAFSA Simplification Act
- September 13, 2023:** A participant asks ED in a FAFSA webinar whether tables in the SAI formula will be updated for inflation; ED indicates no plans to do so for 2024-25 but will update in 2025-26
- September 21, 2023:** ED releases FSA Estimator
- September 25, 2023:** FSA Estimator taken down due to inaccurate SAI/Pell information being generated
- October 16, 2023:** NASFAA requests that ED update SAI formula tables for inflation
- January 23, 2024:** White House announces SAI formula tables will be updated; no details on when tables will be updated or whether it will impact ISIR delivery promised for late January
- January 30, 2024:** Final SAI Guide with formula tables updated for inflation published
- February 27, 2024:** ED announces it is making a significant change to the SAI formula to permit the Student Contribution from Income (SCI) to be as low as -\$11,130 vs. -\$1,500 from earlier versions of the SAI formula
- February 28, 2024:** ED is alerted to an issue with SAIs being incorrectly calculated due to dependent student assets being ignored
- March 1, 2024:** President Biden signs continuing resolution legislation, amending the FAFSA Simplification Act to place a -\$1500 floor on the SCI for 2024-25 and \$0 floor for 2025-26 and beyond to address earlier ED error
- March 12, 2024:** ED announces error in estimated SAIs provided to students from households with 2 income earners where one income is < \$60K causing assets not to be considered in the SAI
- March 21, 2024:** ED notified by a financial aid administrator that the IRS FA-DDX appears to be transferring the wrong line item from the tax return for US taxes paid, using a higher figure that includes self-employment tax (meaning SAIs are appearing to be lower than they should be)
- March 22, 2024:** ED announces error in SAIs being delivered to schools on ISIRs where student assets were not being counted toward the student contribution in the SAI, requiring reprocessing
- March 22, 2024:** ED notified by an FAA that IRS FA-DDX appears to be transferring incorrect figures for education credits
- March 29, 2024:** ED announces it is aware of reports concerning tax data provided on the Institutional Student Information Records (ISIRs) for 2024-25 FAFSA applications
- March 30, 2024:** ED updates March 29 Electronic Announcement regarding potential incorrect FTI data transferred from ED. Confirms <20% of applications are impacted. Confirms issues of "some fields are a mix of updated and original returns", education credit data inaccurate, manual entry tax paid and education credits wrong due to discrepancies in the instructions
- April 1, 2024:** ED provides follow-up on three separate incorrect tax data issues. Shares that it will only reprocess records if reprocessing would result in a lower SAI but that institutions can use PJ to use existing (incorrect) data or request reprocessing but that ED will assume schools will use incorrect data to make financial aid decisions
