

# The Value Plus Membership Package INCLUDES The NASFAA Webinar Package and the P&P Builder!

NASFAA webinars provide an easy and convenient way to implement student aid requirements that directly impact your financial aid office. Each webinar is presented by NASFAA staff and experienced student aid professionals who understand the challenges you face every day.

Please register prior to the start of each webinar. If you miss a live webinar, an on demand archive will be available for up to one year. Archived webinars may be removed at any time if the content becomes out-of-date due to regulatory changes.
